EGYPTIAN DAY

Dear Parents/Guardians

As you probably know Year 4 have been studying Ancient Egypt this term and so will be holding an Egyptian Day on **Friday 20th October** to reinforce some of the topics we have been learning about.

We are arranging a number of activities for the children that day including making Egyptian jewellery, using hieroglyphic writing and making clay scarab beetles, and in line with this theme we would like the children to come to school dressed in the style of the ancient Egyptians.

We do not expect parents to go to any great expense for costumes and a white sheet draped around the body and some simple jewellery would be perfectly acceptable. However, the children will still want to play out at break time and so will require their outdoor coats and shoes as well.

There is no cost for this day as it will be run purely by the Year 4 teachers, but there is an expectation that all pupils will join in by dressing up. Any pupil not in costume will be obliged to wear full school uniform as home clothes are not permitted on this day.

Thank you for your co-operation.

Yours sincerely

Year 4 Teachers
