

Dear Children,

We hope that you are well. I have been thinking of further ways to keep you active while you are at home, in order to keep your body and mind healthy. Havering Sports Collective have come up with lots of different ways that you can stay active. Click on the link below to see a variety of activities that you can take part in.

<https://haveringsportscollective.org/covid-19/>

We would love to find out how you get on with the activities. Therefore, you can send your work into your year group emails for your teachers to see.

Stay safe,

Miss Donn
